The difference is Crystal clear.

The luxurious 68,000-ton, 1,070-guest Six-Star Crystal Serenity is one of the most spacious cruise ships at sea. Onboard amenities include grand lounges, full-service fitness facility, Crystal Casino, Feng Shui-inspired spa, 360° teak Promenade Deck, two pools, Jacuzzi®, award-winning cuisine and entertainment, in addition to, elegantly appointed staterooms most with private verandahs. ## You'll love a Crystal Cruise:

- \* The experience is subtle and not-overstated. You'll feel the quality without it being garish or over the top.
- \* The size of the ship (1,070 guests) is large enough to disappear and do your own thing, and intimate enough for this group to easily connect with one another.
- \* The 6-star service is phenomenal and deeply personal.
- \* The food is great with smaller portions.
- \* The staterooms are comfortable and well-appointed.
- \* The cruise is highly inclusive, outside of tipping and alcohol. Many lines don't include things like bottled water, yoga classes, sodas or your afternoon cappuccino. On Crystal, you don't have to pay for these items on board. And Crystal's "As You Wish" program (\$1,000 USD credit per stateroom) makes it even more inclusive. Spend the money, as you wish.
- \* There are many more entertainment options than the smaller ships, including a casino.
- \* The ship is equipped with a computer lab and spa, and offers enrichment classes.

## Q & A

### 1. Why Down Under?

After 26 years in the travel industry, I've never been to Australia or New Zealand. Can you believe it? I know the scenery will be incredible. I also know that covering that territory via the ease of a luxury cruise ship, will make it wonderful for all. And while some parts of the world today are seemingly unsteady, this area has a 'feel good' attraction to it.

### 2. Why a cruise & why Crystal Cruises?

After many years of escorting groups, I have learned that there is one very important element - flexibility. That's why cruise groups are so relaxing. You can disappear or participate as much as you wish; dine alone or with others. It's not just a hotel at sea. It's a resort that offers enrichment, fitness, and stimulation in many forms. Of course food and wine are very important and Crystal's quality is simply superlative. No packing and unpacking, no organizing groups in lobbies of hotels - everything is just there. You can pick and choose anything of interest, or sit on your verandah and read a book. It's your vacation.

### 3. What does a "segment" of a world cruise mean?

The World Cruise itinerary is 110 days; this voyage represents one segment of that total. Because a number of passengers take the entire cruise (can you imagine?), Crystal needs to ensure that the calibre of speakers and entertainers, plus many onboard events are extra special. Those that have sailed with Crystal in the past will notice a difference.

### 4. Who is this trip for?

It's for people who enjoy a high quality experience when they travel. It's for those who want a lot of laughs because we sure do have fun. It's not a couples' trip. We've had a number of singles in our groups and they have as much fun as anyone. You'll do what you want, when you want and with whom you want. We find that many couples don't want to do the same things so they

go in two different directions. One may want to hear a great speaker while the other tries a dance class. Gender, age and marital status are irrelevant.

### 5. What's included in the price?

Crystal offers an inclusive product; fabulous meals, entertainment, enrichment classes, guest speakers, bottled water and fitness classes are part of the price. And this year it's even more inclusive as you'll receive a \$1,000 USD per stateroom As You Wish credit to spend on whatever you desire - gratuities, alcohol, shore excursions, spa treatments and onboard boutique purchases. You'll also receive an air credit or you can choose cruise air. For past Crystal guests, you'll also be able to apply your Crystal Society discount.

### 6. When do I need to book by?

World Cruise itineraries are very popular because they are so special. I was surprised that there is limited availability in the Penthouse categories this far in advance. If you have a preference for your stateroom's location, then it's wise to book early. These prices are valid until September 30th.

Rita Milenkovic is a world traveller having wandered through Europe, Asia, Africa, the Middle East, the Caribbean, the South Pacific, and South and North America. Her groups are imaginative and so much fun. She has attracted many repeat clients who travel with her because they know the experience will be exciting, indulgent, and full of surprises. Quality is her mantra, and raising the bar her goal. From the Ultimate Dinner Party on the Mediterranean to a Women's Luxury Hike to Machu Picchu to a Sheik Affair (land and cruise from Dubai to Athens) and a trip to the final round at the Masters in Augusta, Rita's trips are always unique.

### What is the difference between a stateroom and a penthouse?

The two main differences are size and location on the ship. No matter what room type you choose, you will have the same access to everything the ship has to offer. This cruise is on the Serenity, which is the newer of Crystal's two ships. There are no inside cabins on board. Category C offers a window, and Categories B and A offer balconies. A penthouse gives a lot more room and has the added benefit of butler service 24/7. This is a 16-day cruise so choosing the right accommodation is important.
