*"I went last year with my sister and a group of fabulous women and had a wonderful time. The spa is heavenly, the food healthy but great and the setting magnificent. We exercised, laughed and relaxed. I would go again in a minute!" Susan Barber, FuZion participant*

# The Hotel – Red Mountain Spa

Few places on earth match the beauty and tranquility of the red rocks surrounding St. George, Utah and few places offer such a vast selection of healthy living activities, dining, spa and recreational services as Red Mountain Spa.

With 82 beautifully designed rooms, all with extraordinary views of the surrounding red cliffs and canyons, you will feel so relaxed as you enjoy the ultra chic colours and styles which compliment the red rock environment enveloping the resort.

At Red Mountain Spa, guests are educated to increase awareness of the role of nutrition in the pursuit of optimum health. Changing the way we think about eating and food is the key to success. Deprivation or severe restriction is not advocated, as it is not conducive to long-term success or a healthy short-term solution. **Three meals daily are included in your FuZion program.**

While with a group of women, your stay at Red Mountain can be tailored for your fitness preferences. You can be on your own, with a friend or join a larger group. It's up to you.

This package offers daily guided morning walks, unlimited fitness classes, healthy life classes, personal discovery activities, use of pools, bicycles, walking trails, strength & cardio studios and cooking demonstrations.

## It's about challenge & victory

Last spring, I had the privilege of hosting 29 women at Red Mountain Resort & Spa - our first FuZion group. All I can say is WOW. I have escorted women's trips all over the world and this destination stands shoulder to shoulder with the best. Red Mountain is about personal challenge and personal victory. It's about friendship and fun, healthy eating and unbelievable surroundings. Each day is yours and you can choose from a menu of experiences. I encourage you to try this destination as a gift to both your physical well being and your soul.

*Rita Milenkovic, President & CEO of The Travel Gallery, is a world traveller. Her groups are imaginative and so much fun.*

*"What a wonderful five days in magnificent surroundings. The landscape is beautiful -- but 'just right' challenge for hiking. And I can't think of a better way to end each day than with a group of amazing women who are willing to dance and sing the night away!"*

*Elaine Bourassa, FuZion participant*
